Welcome Back to School!

We are so happy to have our students returning to an in-person setting. We have been very busy this summer preparing the classrooms and buildings for the 2021-22 school year. It's been a difficult year for many families, and some students may feel anxious about returning to in-person instruction. We understand. Our teachers, counselors, principals, and other staff members are prepared to support all students in rediscovering their strengths and building new ones.

We encourage you to reach out to your student's teacher or principal if you have questions or concern / feedback.

It is our wish that we work together to ensure that our school reopening provides exceptional learning, safety and well-being for everyone. With that being said, please remember to complete the health screener for your child each morning which includes a temperature check.

Additionally, as we continue to receive guidance each day from a variety of sources. Any changes or important notifications that are made will be posted to our website and you will be notified by Blackboard Connect. If you have opted out of receiving notifications and want to opt back in please contact Mrs. Julia W. Tomaine at (518) 398-7181 x1408 and she will help you opt-in!
