

Pine Plains Central Schools
2016-17 Board of Education Goals
September 21, 2016

1. Curriculum and Instruction

- a) The percentage of Regents diplomas with advanced designation shall be at least 40%.
- b) The percentage of the four year cohort achieving a diploma in June 2017 shall be at least 85%.
- c) Continue the college fair and add activities to make students aware of career opportunities.
- d) Establish a system to monitor the long term effectiveness of the pre-kindergarten program.
- e) Expand opportunities for students with disabilities to participate in regular classes and extracurricular programs.
- f) Have specific targets set for student academic growth in grades 3 to 8 as measured by the MAP testing program.

2. Technology

- a) Assess the use of the employed technology in all grades throughout the district.
- b) Identify the academic impact of the use of the deployed technology.

3. Personnel

- a) Review the structure and size of the administrative structure in the district with respect to the required tasks and their assignment to specific positions.

4. Food Service

- a) Develop strategies for increasing participation in the food service program.
- b) Increase the use of locally grown products in the program.

5. Business and Finance

- a) Develop a strategy for budget development that balances the need to accurately budget, maintain sufficient reserves and fund balance and fund our necessary programs.
- b) Prepare for the multiple contract negotiations that will begin during this school year.

6. Facilities

- a) Continue to revise and update our five year facilities plan.
- b) Oversee the implementation of the energy performance project.
- c) Develop a facilities project for a spring vote that addresses needs in the auditorium, middle school gym and other needs as the Board may deem appropriate.

7. Community

- a) Continue the emphasis on parent and community involvement.
